## INUP-i2i Familiarization Workshop on Nanofabrication Technologies (12-14 September, 2022)

Indian Nanoelectronics Users Program - Idea to Innovation (INUP-i2i) is a program funded by the Ministry of Electronics and Information Technology, Govt. of India to accelerate research and development in nanoelectronics in India. In the three day online program organised by CeNSE, IISc Bengaluru, participants will learn about the basics of nano science and technology and about the essential research methods and practice in Nanofabrication and Characterization.

**Selection Criteria:** Young faculty members, scholars registered for PhD, professionals in industry with research interest on nanoelectronics and related areas will be given the highest priority for selection.

### How to Apply:

Interested candidates should:

- Register at: [http://www.inup-i2i.in/inup\\_wrapper/register.php](http://www.inup-i2i.in/inup_wrapper/register.php)
- Apply online at: [http://www.inup-i2i.in/inup\\_wrapper/login.php](http://www.inup-i2i.in/inup_wrapper/login.php)

### Deadline for submission of applications:

- 09 September 2022
