

INUP i2i

18-20 JAN 2024

Centre for NEMS and Nanophotonics (CNNP)
Department of Electrical Engineering
IIT Madras, Chennai - 36

Online Familiarization Workshop

Level-1

INUP Framework

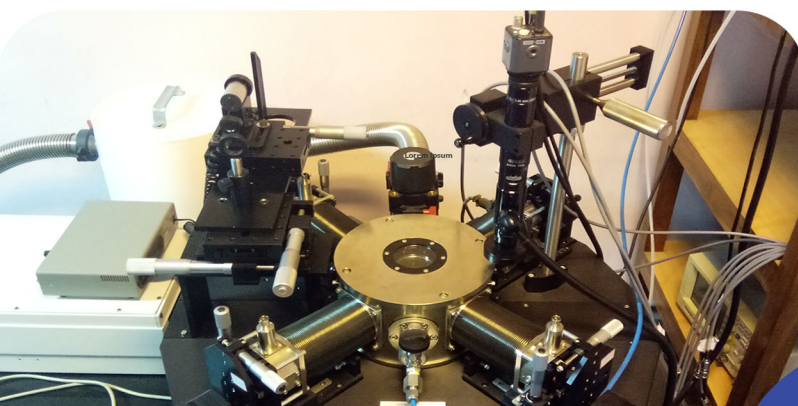

Level -1 (Familiarization Workshop)

- To Provide exposure and awareness about the current research activities and the facilities at CNNP-IIT Madras.
- Micro/Nano fabrication, Nanoelectronics, MEMS & Photonics
- How to access CNNP facilities through INUP-i2i

Level - 2 (Hands-On Training)

Level - 3 (Project Execution at IITM)

About Us

The Indian Nanoelectronics Users Programme - Idea to Innovation (INUP-i2i) is sponsored by the Ministry of Electronics and Information Technology (MeitY), Govt. of India.

The main objectives of INUP-i2i are to train high quality manpower, open the national nanofabrication and characterization facilities to Indian researchers/ Industry, facilitate testing/translation of their research ideas and eventually contribute to the India's Semiconductor Mission.

Online application are invited from interested researchers from academic institutions and industries for the participation in the workshop.

The workshop will be conducted in virtual mode and the link will be sent to the selected participants.
